VI. REPORTS

A. ADMINISTRATION

THE DISTRICT SUPERINTENDENTS

REPORT TO THE OREGON CONFERENCE

Bishop Grant, Members and Friends of the
Oregon Annual Conference.

Let us open our 105th Annual Conference of Oregon in the traditional mood. When John Wesley called his preachers together for their annual conference, his brother Charles composed a hymn, No. 402, for them to sing. I quote it this evening.

"And are we yet alive,
And see each other's face?
Glory and praise to Jesus give,
For His redeeming grace.
"What troubles have we seen,
What conflicts have we passed,
Fightings without, and fear within,
Since we assembled last."

"But out of all, the Lord
Hath brought us by His love;
And still He doth His help afford,
And hides our life above.
"Then let us make our boast,
Of His redeeming power,
Which saves us to the uttermost,
Till we can sin no more."

We rejoice for the blessings that God has placed upon us during the past year in the churches of our conference. We have had the joys of one another's fellowship. The privileges of laboring in the Lord's vineyard, and the leadership of Bishop Grant whose example among us is a continuation of Christian loyalty and sacrifice. We want you Bishop and Mrs. Grant to know how sincerely we appreciate your integrity, humility, faith and trust in God.

We have all come to this annual conference to give an account of our stewardship for this past year which we have each and all brought to this Annual Conference session. Each and all of us offer our reports as the evidences and fruits of our high calling in Christ Jesus.

This is not an attempt to compile an exhaustive list of accomplishments. Many churches and pastors have been busy and their harvest is not yet gathered. Some of us plant, others water and till the soil, and the Lord giveth the increase.

This year we have been blessed by having new churches organized in Portland, Medford and Veneta-Elmira. New Church building programs have been accomplished at Creswell, Cave Junction, Roseburg, Dillard, Sanctuary for Trinity-Eugene, Coos Bay, Meeker Memorial Chapel at Medford, Woodlawn in Portland, Educational plant at Corvallis, and Bend, Prineville Trinity-Salem, West Salem, Shedd and Sweet Home. A new site has been purchased for an entirely new plant at Lebanon. Methodist Men of the Salem District have built nine new cabins at Suttle Lake and have plans for three more this summer.

Many churches have been making it more pleasant for their ministers to do a better job by providing new parsonages at Gold Hill, Junction City, Oak Grove, Echo, The Dalles, Tygh Valley, Cherry Blossom Park, Errol Heights, and Morningside in Salem.

Rose City Church of Portland set a good example for the larger churches by providing $5,000.00 last fall to start the Cherry Blossom Park church in east Portland.

The Institutions of our Conference have had a good year. Willamette University had full use of their more than a $1,000,000 worth of new buildings, the Willamette View Manor of Portland is building a $1,500,000 unit, while the Rogue River Manor, a wonderful home for retired people, is being built in Medford. The contract is prepared for the enlarging of the Methodist Home in Salem. Work there will begin this month.

We note that Evangelism has had a fair year by showing a net increase of 1427. There were 2803 by profession of faith and 2427 by transfer to unite with Oregon Methodist Churches. There was an increase of 55 members in WSCS. We are glad to learn that Craig Harper joined the Conference Educational staff. He

COMMISSION ON TOWN AND COUNTRY WORK

Bruce McConnell—John Day, Oregon

REPORT OF THE COORDINATING COUNCIL 1956-57

This has been a year of getting organized and established as a Coordinating Council. It has taken a little while to get used to the idea that the entire Coordinating Council staff serves all Boards, Commissions and Committees. For so many years, for example, we have associated youth work and children's work with the Board of Education that it takes a little reminding to fully realize that these workers and all other Coordinating Council staff people are equally responsible to all Boards. The Executive Secretary of the Coordinating Council serves as Executive Secretary for each of the Boards and all other members of the staff work with him as a true "Conference staff" serving all Conference interests alike.

Bishop Grant called the Coordinating Council together June 21, 1956 for the purpose of organizing for the quadrennium. The following were elected:

Executive Committee:

Bishop A. Raymond Grant — Laurence Nye, Secretary
Daniel D. Walker, Chairman — Howard Berger, Treasurer
Milton Marcy, Vice-Chairman
Dr. G. A. Dierdorff and Ervin Potter—Members at Large

Personnel Committee:

Dan Walker — Joe Harding
Gene Albertson — Dale Skewis
Howard Somers — Charles Foster

Finance Committee:

James Jenkins — Leon Jourolmon
Ernest Peterson

Members at Large:

Eugene District—Dale S. Lewis and Bob Peters
Forest Grove District—Roger Derr and Orval Whitman
Portland District—Ernest Peterson and Bob Benefiel
Salem District—Ernest Jacobson and Wes Turner
G. Herbert Smith and Herman Forslund

Representatives of Boards:

Ministerial Training and Qualifications—Ray Balcomb
Christian Vocations—Ken Peterson
Rules—Ervin Potter
Board of Education—Charles Foster, Gene Albertson, Charles Howard
Board of Temperance—Robert McIlvenna
Town and Country—Harold Mackey
Board of Pensions—Carl Mason

Board of Missions—Roy A. Fedje, G. A. Dierdorff, S. Raynor Smith

Board of Evangelism—James Shapland, Joe A. Harding, Luis Bove.
Woman's Society of Christian Service—Mrs. L. D. Wrentmore, Mrs. Carl Oldham
Conference Secretary—H. James Jenkins
At large from Commission on Higher Education—G. Herbert Smith, Herman Forslund

In accordance with the request of the Annual Conference of 1956, the Coordinating Council has set up a Study Commission to study the areas of Finance and promotion in the Conference. Lawrence Guderian is Chairman of this Committee which was not named until late in the year. For this reason the Committee may not be ready to report at this Annual Conference but will certainly be making reports to the Coordinating Council during next year and a final report to the Annual Conference of 1958.

Under the direction of the Coordinating Council, the spring meetings of the and his staff take their share of credit for the increase of 959 in Church School enrollment and 263 increase in average attendance at Church School. Our MYF also enjoyed the prosperity of increases noted in membership with an increase of 889 for a total of 4460. Methodist Men has increased nine clubs during the year.

9,307 subscriptions for "Together magazine" were reported as over against 2009 subscriptions for the Advocate of a year ago.

Almost no church building was done during the years of 1914-1946 with a depression thrown in for good measure. Churches have been doing well for the last ten years. Just this last year there is a report that church building amounted to $1,717,345.00 and construction on parsonages was $106,830.00. That is speaking well for stewardship. During the past year ministers salaries moved up $42,042 which means that nearly every church increased the salary of their pastor. The District Superintendents are pleased to report that most all churches increased the salary of the pastor for next year also. Our churches must keep up with the rising spiral. Many are earnestly endeavoring to do so.

Our Conference Church Extension is deserving of further study and better planning and action. Our Conference Treasurer reports that our response was Portland District, $9,151, Forest Grove District, $2926, Eugene District $2107 and the Salem District $4,695, for a total of $18,879.00 toward a goal of $50,000.00. It costs a minimum of $20,000 to start a new church. The Board of Missions tells us that we should have $30,000 for a new church physical plant. Our total World Service and Conference giving was $159,949.00 on a goal of $171,941. We were $11,192.00 short. We understand some of this when we remember that some of our sawmills towns had scores of people on $35.00 per week to feed the family. This seriously affected many of our communities. Other factors were also involved. At this same time many of our churches have increased their giving over the year before. Pastor James Thompson of Sweet Home has helped many a church to see that it could increase its giving with his Loyalty Dinner plan of every member canvas or better still every member giving to the church. Under this method some of our churches have raised more than they have ever raised in any one year of their entire history. Many churches have done well with the old fashioned every member canvas. Good stewardship gives a spiritual blessing to any church that will earnestly work at the task of a Christian application to a financial program.

The list of Memorials and bequests is growing in our churches. Our people are finding this a means of expressing their love and gratitude to the church. Numerous wills have included generous gifts to the local church and boards, committees and organizations of our Conference and our national church. The gifts include money, gifts of land, bonds, chapels as well as many needs met for churches and parsonages.

Church Anniversaries need to be observed. The church that forgets its past will soon lose its respect for the present. These great events need to be observed in our churches.

The twenty-four hour prayer vigils were observed in our churches last year. I hope that each church will observe the prayer vigil this next year. Dr. E. Stanley Jones says that we cannot go farther in our religion until we go deeper. Throughout our entire church we need to raise the level of our Spiritual IQ. We need to display an increasingly higher grade of Christianity. There are great advancements in science, medicine and education and a host of other fields of human endeavor. We need to resist sin—if necessary unto blood. As Christians we must live that joyous life that Paul knew even while in prison.

Love, humility and kindness was the philosophy of John Wesley. Charles Wesley sang, "Love divine, all loves excelling, joy of heaven to earth come down." Let us all at this conference work diligently to formulate a great program for the coming year. Let us carry the great program of the national church for this quadrenium with all of us united for the good of each and all to the end that Christ shall be exalted as the head of our church and above all and in us all.

Thank you.

George G. Roseberry, Salem District making the report.

OREGON COUNCIL OF CHURCHES COMMITTEE

The Oregon Council of Churches is more than an interdenominational agency for the promotion of programs which the denominations can do together better than they can separately. Far more basic than this is the fact that the Council is a constant, outward symbol of the basic unity in Christ which holds the churches into one body.

Methodists should remember that the Oregon Council of Churches exists because our denomination working with other denominations created the Council. We are the ones who must use and support it. As the council represents the churches before the public it is we the Council represents.

Four ministers and four laymen are elected to represent the Oregon Annual Conference on the Board of the Oregon Council of Churches. We ask for your continued support of the Council through the Conference Benevolent Program and through local church budgets. We would call to your attention that the Council budget is smaller than that of many local churches.

THE COMMITTEE ON INTEGRATION OF THE CHURCHES OF THE PACIFIC JAPANESE PROVISIONAL CONFERENCE REPORT

In line with the wishes of the Pacific Japanese Provisional Conference in meeting at their Annual Conference of 1956 we look forward to the integration of their churches within our boundaries in the year 1964.

The Japanese Provisional Conference has expressed the wish that integration take place this particular year, in order that they may be able to raise their standards to be more in line with ours, especially in such matters as pastors' salaries, and reserve pension plan.

To this end they are entering into agreement with the General Board of Pensions and the General Board of Missions on a Reserve Pension Program. In addition they are making renewed efforts to bring their pastors' salaries up to the minimums of the annual conferences involved in the integration program.

We the Oregon Conference Committee on integration praise their efforts and pledge them our help in all possible ways. We invite freer participaiton in all our district and conference-wide affairs and urge all our district superintendents to put these churches on their mailing lists. We ask that the conference and district officers of the W.S.C.S., the M.Y.F., and Y.A.F. solicit cooperation and participation in all their activities so that practical integration shall begin to take place immediately in advance of the actual fact for which the Pacific Japanese Provisional Annual Conference is preparing itself.

Alfred E. Vosper, Chairman

BOARD OF TEMPERANCE REPORT

1. We consider our first duty as a Board to become informed ourselves in order to be able to deal intelligently with this vital problem.
2. To help our brother pastors and leading lay people in each church to become informed and incited to action in their own Church Schools, Churches and communities. We believe in the promotion of commitment to total abstinence in each Church, Church School and youth group.
3. To cooperate with all efforts toward total abstinence such as The Home Board, Oregon Temperance League and efforts of other local churches. The direction of our General Board of Temperance under Dr. C. R. Hooten is Education, Commitment, Rehabilitation and Legislation.
4. We are backing the Western Jurisdiction Seminar on alcohol studies to be held at San Francisco, September 24, 25, and 26, 1957, and aim to pay the travel and lodging of those who can go. We hope to get at least 20 ministers and laymen including our Board Members and District Secretaries.
5. We are working toward a pastors' school on alcoholic studies within our own conference, where all our pastors and interested laymen can get information and enthusiasm.

Respectfully submitted,
Robert McIlvenna, Chairman

Boards were set up as "Three Great Days" February 4th-6th. Following these meetings the Executive Committee of the Coordinating Council evaluated the approach we had used and G. A. Dierdorff made a study of similar programs in other Conferences. Out of this has come a number of suggestions that will be incorporated into the program of "Three Great Days" for next year.

The Conference should be aware of the fact that our chief problem is that we are badly understaffed. The persons now employed by the Coordinating Council are capable and hard working but there is more work to be done than can possibly be accomplished under present restrictions of staff and budget. Most instances of failure to do all that should be done and do it with perfection are traceable directly to limitations of personnel and budget. The staff of the Coordinating Council is carrying an exceedingly heavy load and deserves all of the cooperation we can give.

We salute the members of the Coordinating Council staff and all who have functioned through our Conference office for the excellent work they are doing. They are:

Executive Secretary—Ernest Harold
Director of Youth Work—Craig Harper
Director of Children's Work—Mrs. Grace Sayre
Audio Visual Secretary—Mrs. Hazel Frost
Camp Secretary—Mrs. Virginia Shanks
Office Secretaries—Miss Lucy Davis, Mrs. Doris Lantz

III Willamette University

In response to the Report of the Special Committee of the Trustees of Willamette University on the A. R. O. T. C. program, on March 13, 1957, a subcommittee of the Conference Committee on World Peace met with a committee of Willamette University Trustees to discuss if, how and when A R O T C at Willamette could be discontinued. Whereas the problem still exists, the committee is of the opinion that there is a better understanding of the positions of the University and of the Conference. It is hoped that by similar steps the problem can eventually be solved and A. R. O. T. C. at Willamette be discontinued. Meanwhile, we recognize that Willamette is a Methodist University and that we should continue to support her and to strive for the achievement of a Christian standard of higher education that does not deem it necessary to provide military training as a part of its curriculum.

Respectfully submitted,
Hideo Hashimoto, Chairman

WE REQUEST THAT THE ENCLOSED RECOMMENDATIONS BE INCORPORATED IN THE PRE-CONFERENCE REPORTS OF 1957

Due to the fact that the General Conference did not give the detailed guidance to the Conference, District, or Local Church, Board or Commission on Christian Social Relations, and after study of four Annual Conference Constitutions in this field and after a year's experience in the commission system without Conference Direction, we make the following recommendations to the Oregon Annual Conference.

I. We move that the Conference actions of 1956, page 35, in the Minutes of third day of Oregon Annual Conference, under the Board of Social and Economic Relations regarding formation of a Conference Commission on Contemporary Concerns, be rescinded.

II. We move that the Board of Temperance, the Committee on World Peace, the Board of Social and Economic Relations, shall be coordinated through the Coordinating Council in the same manner as all of the other Boards and Committees of the Conference.

III. We move that there shall be a District Director of Temperance (See Discipline 1956, Paragraph 1543), a District Director of World Peace, and a District Director of Social and Economic Relations.

The above named directors shall be appointed by the District Superintendent and publicly assigned by the Bishop, to carry forward the work of the respective Board or Committee assigned (See Discipline 1956, Paragraph 1543).

IV. We move that there shall be a Commission of Christian Social Relations in every Local Church as suggested by the Discipline 1956, to coordinate the work of Temperance, World Peace, and Social and Economic Relations.

THE CONSOLIDATED COMMITTEE OF SOCIAL AND ECONOMIC RELATIONS AND CIVIL RIGHTS REPORT THE FOLLOWING RECOMMENDATIONS

1. District Directors of Social and Economic Relations should contact every church through the pastor, W.S.C.S. Secretary on Christian Social Relations and M.Y.F. to see what they are doing in their church in this area of concern. A selection of appropriate material should be made available.
2. We recommend the following methods of getting materials and programs before the people of local church: Family night programs, and the use of minute men in the worship services, through general mailing of promotional materials, and the use of audio-visuals.
3. We recommend that the ministers follow the disciplinary suggestions for the observance of special Sundays; that ministers make known their needs of materials and assistance to the Conference secretaries.
4. We invite the Pastor of any church in the conference to use such services of the Board of Social and Economic Relations as are now available when industrial strife prevails within his community.
5. We call the attention of the Conference to the report of the Civil Rights Committee for 1956 and urge implementation of the three recommendations found on page 90 of the 1956 Conference Minutes We commend Mr. Hahn for his employment of other ethnic groups in the Cokesbury Book Store.

George A.Trobough

THE CIVIL RIGHTS REPORT

February 4 and 5, 1957, the Civil Rights Commttiee met with the Board of Social and Economic Relations and concur with the suggestions made in the Board of Social and Economic Relations Report with the following additions:

1. We suggest that the minimum salary program be carefully restudied by the proper committee or committees, and that it be based upon individual needs.

2. We call the attention of the Conference to the report of the Civil Rights Committee for 1956, and urge implementation of the recommendations found on page 90 of the 1956 Conference minutes.

3. We recommend that the concern of the Civil Rights Committee be integrated with the Board of Social and Economic Relations. The Chairman of the Board of Social and Economic Relations Committee receives all information pertinent to civil rights and therefore the concern should be within that Committee. (This recommendation was referred to the Rules and Nominating Committees for their action).

CONFERENCE REPORT OF THE COMMITTEE ON WORLD PEACE OREGON ANNUAL CONFERENCE 1957

I Preamble:

As followers of Christ in the modern world we must resolutely seek to relate His teachings to the problems of a world in revolution. Christian ethics involves: (1) the sacredness of human life, (2) our responsibility for the welfare of our brothers, (3) the obligation to act, always, in the spirit of brotherly love.

It is not an easy task to put these ideals and realism of Christ into the materialism of world affairs. But neither the difficulty of the challenge nor the indifference to Christian principles should deter us from our efforts to relate Christian ethics to every situation.

II Recommendations:

In order to implement our effort toward world peace, we recommend:

1. That the local church:

a. organize a Commission on Christian Social Relations. (*The Discipline* Par. 219, 276, 1550)

b. study the Local Church Emphasis Booklet No. 5 on Social Concerns.

c. distribute "The Methodist Church Officially Acts on War and Peace".

d. obtain and distribute other literature on world peace from the Board of

American Protestant Christianity, and *Christian Worship and Symbolism.* Approximately 30 students registered each quarter .

Another development is the initiation of Sunday morning 11 a.m. worship services at Wesley Foundation. This is a service especially for students sponsored by the Wesley Foundation and First Methodist Church, Eugene, with the director of Wesley Foundation in charge. An average of 77 students attend the service at Wesley. An additional 40-50 regularly attend the First Methodist Church.

Out of approximately 6000 students, 600 are Methodist preference. All of these students have been contacted by mail, a large percentage have been personally invited to attend our activities. Over 110 attend quite regularly some part of our weekly program, which includes the Sunday morning class and evening program, the School of Religion, Wesley Choir, Wes-Weds, Mid-Week Chapel, and the weekend social events. The students carry a $2000.00 budget which they raise through pledging and through special money-making projects. They support an international student each year through a $450.00 scholarship.

We at Wesley Foundation are grateful beyond words for the wonderful support given to us by the Oregon Conference.

Ken Peterson—Director

WESLEY FOUNDATION AT SOUTHERN OREGON COLLEGE REPORT

After two years using a rented Wesley house and having a student worker, the Wesley Foundation at Southern Oregon College has been severely handicapped by having to meet this year at the parsonage, two miles from the campus, and by having no director other than the pastor. However, interest and attendance at the Sunday evening meetings have been maintained. A strong Sunday morning class is being developed under the leadership of Mr. John Billings. A new feature of our program was a church membership class for married students. Deputation teams are visiting several churches in southern Oregon and northern Californa this spring.

During the year a site for our future Wesley house has been purchased with Forward Movement Funds. Plans for the building have been drawn, and a campaign is under way at the present time to raise $10,000, the estimated cost of construction. Within a few years our Wesley house will be surrounded on three sides by the campus, but the school administration has given assurance that our site has been reserved for us in the plans for campus development. We are hoping to obtain the leadership of a fully qualified student director for the coming year, to begin construction in June, and have our new Wesley house ready for use when school begins next fall.

Wesley Foundation

EASTERN OREGON COLLEGE WESLEY FOUNDATION REPORT

Wesley Student work has been established at Eastern Oregon College several years.

Through the kindness of the leaders of the Oregon Methodist Student Movement we are included. This membership has provided inspiration, practical experience and helpful fellowship.

Many members of the College Faculty are members of First Church, La Grande. Their participation and encouragment has greatly influenced the growth of Wesley Foundation. Fifty percent of the Methodist Preference students participate in the local program and church life.

WESLEY FOUNDATION AT OREGON COLLEGE OF EDUCATION REPORT

In February of this year we celebrated the Eighth Anniversary of the establishment of a Methodist program on the campus at O. C. E. These eight years were capped by the following events of this year;

(1) GROWTH: As the school has grown so have we—this year we had 151 Methodist preference students on the campus from 65 Oregon communities plus others from Washington and Hawaii. This means that approximately 1 out

C. EDUCATION

THE BOARD OF EDUCATION REPORT

Your Board of Education carries on its program conference-wide through the three sections, Division of the Local Church, Camp Commission and Division of University Life.

This past year our major emphasis has been to reach local churches in so far as possible with special help from our staff persons. We plan to continue this emphasis through the new year with one teacher training conference at the local church level where requested.

Realizing the need in the area of Church and Family Life and the church's program with Young Adults, your Board of Education is setting up a program to help stimulate concern and provide resources that local churches may move ahead in service to these groups.

We would keep before the conference the fact that the work the Board of Education is able to do in leadership training through the Division of Local Church is made possible chiefly through the Rally Day offerings. Again we ask that each church receive an offering on Rally Day, September 29, 1957, attempting in so far as possible to attain a goal of 15c per member.

C. Gene Albertson
Chairman
Board of Education

ADDENDA
TO BOARD OF EDUCATION REPORT

After a joint meeting with Adult Leaders of Education of the Pacific Northwest, and the Oregon Conferences, the Secretaries of the General Board of Education together with Bishop A. Raymond Grant the following projects are proposed:

A. To reguest Bishop Grant and the Cabinet to nominate and appoint District Adult Leaders. The names of said leaders to be published in the Conference Journal.

B. To ask the Area Council to set up an Area Adult Leaders Conference, for Conference and District Adult Leaders, Chairman of Adult Work Committees, a Cabinet representative, and Conference Executive Secretaries. Tentative date to be September 24-25, 1957.

WILLAMETTE UNIVERSITY REPORT

To the Oregon Conference
of the Methodist Church

The college year 1956-57 at Willamette University has been one of steady growth in all areas in which a university of the type of Willamette would normally serve. In the first year of the Quadrennial Emphasis of the Methodist Church, we have attempted to continue our evaluation of the university in its service to the church. Following the recommendation in the Report of the Consultation on Religion by the Board of Education we have appointed a full-time University Chaplain, Doctor Harley H. Zeigler.

Dr. Zeigler came to us at the beginning of the second semester and has already made an outstanding place for himself in the college community. He is an ordained minister and a member of the North East Ohio Conference, and took both his master's and doctor's degrees with special honors in philosophy. He has studied abroad and travelled widely and during his years as head of the department of philosophy and religion at Mount Union College, and as Director of the Hawaii School of Religion, he worked with students and peoples of widely differing backgrounds.

Under the able leadership of Mr. Jerry Whipple, Willamette has had close contact with the church and it greatly appreciates the continued interest and support of the Methodist Church in the vital program of keeping the university in a front position of Christian institutions of higher learning. During the past year over 120 churches have taken offerings for the university, or are supporting it through their local budgets. As of April 1, $4,256.95 has been received by the University from these churches. However, because of budget items or delays in sending the offerings to the conference treasurer, this is considerably below the indicated amount of support. According to individual church reports, they will probably give nearly $8,500 directly to the university this year.

Approximately 34,000 pieces of promotional material were mailed to these churches, including a copy of the 1957-1959 University Bulletin to each minister. In addition, faculty members and student deputation teams have represented Willamette in several Sunday morning services and other meetings. Last fall the first annual Methodist Men's Assembly was held on the campus. Over 60 churches were represented by 200 active Methodist Laymen. The university is again hosting this assembly in September.

There is growing evidence of the strengthening of spiritual ties between the church and campus, and that Methodism in Oregon is increasingly recognizing the words of John Wesley when he said, "Let us unite the two so long divided —knowledge and vital piety."

Respectfully submitted,
G. Herbert Smith
President, Willamette University

THE NEW CHAPLAINCY

The chaplaincy at Willamette is made possible by funds provided the university by the Atkinson Foundation. Since it was desired that the new chaplain should have had experience in teaching, counselling, and preaching, as well as in administrative matters, the office was not filled until February of the present year. As a result the programming of the chaplain's duties so he can be most effective is still in an exploratory stage, and is subject to change.

The chaplain serves under the direct supervision of the President. Like the dean of students, he is ready to counsel with any and all students. But unlike the deans, he does not have to discipline. His office is an advisory and an educational one in which his first duty is to be a friend with whom any student may discuss any problem, whether it has to do with difficulties in family background, in adjusting his religious beliefs to the new knowledge he finds in his university years, or in facing any of the whole gamut of individual and personal problems our age is heir to. He has the general oversight of the chapel program and the task of coordinating the activities of the extracurricular religious organizations so they can supplement each other in a wholesome manner.

Since this is a new move by the university, both the administration and the of 5 students at O. C. E. is Methodist preference.

(2) ACCREDITATION: This year our Wesley Foundation was granted a "conditional" accreditation by the Board in Nashville making us the fourth official Foundation in the state.

(3) BUILDING: Wesley launched their "still hunt" for funds this year among the Churches of the Oregon Conference. This is still our most urgent need! Total of building fund is now $1300.00.

(4) INCORPORATION: We were incorporated this year as a non-profit organization for the purpose of receiving and holding funds for a building project. Our incorporated name is the "Wesley Foundation at Oregon College of Education." All gifts to WFOCE are deductible for income tax purposes.

WESLEY FOUNDATION AT OREGON STATE COLLEGE REPORT

Statistics:

1. Students enrolled at Oregon State College	6,500
2: Methodist preference students:	
Church Members	540
Non-Church Members	523
3. Number of students contacted by mail	1,063
4. Number of students attending Church Sundays	450
5. Number of students engaged in regular program activity (others than Church worship)	250
6. Number of students who are affiliate or full members of the Corvallis church	173
7. Number of students thinking of full-time Christian vocations	17
8. Number of faculty affiliated with the Corvallis Church	75

Students Committees:

During the past year the Single Students Committee has grown both in numbers and in spiritual dedication.

This can probably be attributed to the team system which integrates all students into a responsible participation in the program. Eight teams of ten students each meet regularly in the homes of adult advisors and function under the Wesley Council. The married students' program has seen growth and formal organization during the past year. Sixty couples have indicated an interest in some phase of the Wesley-Weds program, which includes a Sunday morning class, monthly socials, a monthly potluck, fireside discussions, Wives' Night, and a weekend retreat for the study of prayer.

Letters of welcome were sent to all the international students who were admitted to Oregon State College last summer. Arrangements were made to help them get settled in Corvallis, and thirty-four groups or individuals offered to entertain 156 students.

A fine relationship between the Wesley Single Students' Program and the Cosmopolitan Club has been developed. Several international students attend Wesley regularly and participate in the team activity. Wesley has again provided for a $300 contribution to International Relations in their budget for next year.

The Faculty Committee:

Faculty activity during the past year has been limited to occasional opportunities of service to the student program and special meetings with visiting speakers on the campus. Faculty couples also serve as team advisors, teach the Sunday morning college class, and speak occasionally at Wesley Forums.

Finance Committee:

The Finance Committee has taken a significant step this year in the final integration of the Wesley budget with the budget of the Church-Foundation at Corvallis.

During this past year the Church-Foundation building has been expanded and remodeled at a cost of $166,000. These expanded facilities and the rapid expansion of the program is necessitating a large increase in the Foundation budget for next year.

CONFERENCE DEACONESS BOARD REPORT
1956-1957

Officers

President—Miss Ella Elsner
Vice-President—Rev. Eugene V. Hamblen
Secretary-Treasurer—Mrs. Howard B. Somers

Members of the Board

Officers, members of the Cabinet, Rev. Recter W. Johnson, Mrs. Wesley C. Bauman, Mrs. F. T. Spainhower, Mrs. Howard B. Somers, Dr. Gertrude B. Crane, Ernest Larson, C. L. Starr and the deaconesses.

With the national emphasis on recruitment for the various types of church-related vocations, church members in general are becoming more aware of the place of the deaconess in the church today. Interpretation continues to be a difficult task however in a conference such as ours where the deaconesses are few in number and have only a limited amount of time to give to personal contacts with groups and individuals. However, whenever a deaconess does speak on any subject we are trying also to acquaint people with the wide variety of ways in which girls may serve through church-related agencies and the privileges and opportunities of the deaconess relationship.

Cooperation in plans that might be worked out by the Commission on Christian Vocations seems at the present time to be the most effective way of disseminating information regarding deaconess work among youth groups.

At a meeting of the Deaconess Board in March 1957, the members were unanimous in recommending that increased emphasis be given to the Committee on Christian Vocations in each local church in the Conference. Members of this Board (both deaconesses and others) will be available to speak on the work of deaconess in our church today. Printed information can also be secured through the chairman of this board.

Miss Ella Elsner
Conference Deaconess Board President

THE COMMISSION ON CHRISTIAN HIGHER EDUCATION REPORT

The Oregon Conference Commission on Christian Higher Education has been organized with the following officers and members: Bishop A. Raymond Grant, District Superintendents, Laurence E. Nye, Chairman, J. Ross Knotts, Vice-Chairman, Francis Trusty, Secretary, Gene Albertson, Chairman of Education Promotion, Ray Balcomb, Chairman of Christian Vocations, Ed Cone, Chairman of Finance, Brooks Moore, Chairman Church and Educational Institute Relations, William Balderee, Milo Cameron, Elmer J. Church, Roy Fedje, Craig T. Harper, Mrs. Roy Lieuellen, Dr. James R. Lyles, Hugh McGilray, Horace Mounts, Robert C. Notson, Kenneth Peterson, Harold Shellhart, Dr. G. Herbert Smith, Russell Tripp, Jerry Whipple.

Two sessions have been held, and the "C. H. E. Blueprint" presented and studied.

The "Blueprint" is the result of months of searching for the essential ideas. Many of its basic suggestions have come from the various educational leaders of the church.

In preparing the material there has been a culling and organizing of the best thinking of Methodists about our present obligation to education.

The Timetable for Action is to accomplish for 1957:

a. A self-study of our schools, colleges, and Wesley Foundations.
b. The publishing of the book on Methodist heritage in higher education.
c. Meetings of executive directors of colleges, of conference commissions and directors of conference commissions.
d. Services of Rededication at the schools and Wesley Foundations this fall.

chaplain himself will welcome any comments and suggestions which will help to make the chaplaincy more effective in quickening the total religious life of the campus.

A REPORT OF TOWN AND COUNTRY WORK

My work as counselor of town and country church has taken me into churches in many types of communities in all sections of the Oregon Conference. I have been something of a modern circuit rider with a circuit almost as large as the entire State of Oregon.

Eighty-nine ministers in the Oregon Conference, and a number of ministers from other denominations within the State have made specific requests for my help in connection with worship services, courses, studies, or surveys.

I have preached in seventy-two different Methodist Churches in Oregon. Approximately three solid months have been given to church-sponsored events in the various camp sites of the Conference since I came to Oregon three years ago. I have helped to set up and direct six different church and community studies or interdenominational religious censuses. I have taught in six different schools of missions, and three leadership education schools.

Other off-campus activities include serving on the planning and program committees for the Oregon Town and Country Church Conference, and on the Town and Country Committee of the Oregon Council of Churches. For the past two years I have been a national officer of the Methodist Rural Fellowship.

Responsibilities at Willamette University include, first of all, teaching eleven hours each week in Religion and Sociology. Another responsibility has been counseling with the students who plan to enter full-time church vocations. At present, there are more than fifty such students on the campus, most of them being Methodist young men and women. Five of these are serving as student pastors, and a sixth is an assistant pastor of one of our Salem churches. These student ministers meet with me each week, and we consider together the work of the churches served by them. Ten students are pursuing the necessary studies for receiving a local preacher's license, and are being regularly counseled in this program. The churches and communities served by the student ministers are visited regularly, and personal conferences with the student pastors follow these visits.

Deputation teams go out from Willamette from time to time to those churches that request them. Before the teams leave the campus, they are always asked to meet with me, so that the worship services which they shall conduct are carefully planned, and so that together we may consider the purposes of these visits. These visits have been a source of help and inspiration to our students as well as to the congregations.

I shall continue to be available to any church that requests my services, whether that church be large or small, rural or urban.

Asst. Prof. Religion and Sociology

THE CONFERENCE ELECTED TRUSTEES OF WILLAMETTE UNIVERSITY REPORT

The General Conference asks Methodists to make higher education a major concern now. The battle for the world is the battle for the minds of men. Men need to know facts. But more—they need to do right. The Church college is at the center of training leaders for a Christian Democracy and a Christian world. Other parts of this report indicate some of the great work Willamette University is doing to meet this challenge.

We do not all agree upon every part of the administration of the University; but we do all agree Willamette University is giving great service to our church by its Christian atmosphere and its training of Christian leaders. We therefore urge that every Methodist become better acquainted with what is being done on the campus and that every church place Willamette in its budget and work

Junior High Program. Mrs. Irene Bond of Lebanon has been elected Volunteer Director of Junior High Work. Plans are being made to bring national leadership to our conference to help in the Intermediate field next year.

Craig T. Harper
Director Youth and Student Work

THE COMMITTEE ON CHILDREN'S WORK REPORT

Members of the Children's Committee of the Conference helped with Fall Leadership Schools held in all districts. These Schools were well attended for the most part and many teachers were helped by a longer training period than a one night Coaching Conference.

Miss Margie McCarty, from the Leadership Department of the General Board of Education in Nashville, spent three days with 22 chosen leaders to help with teaching plans for the Leadership Course "A CHILD'S APPROACH TO RELIGION." This training session will help these leaders as they work with small or large groups in the children's division in the quadrennium.

We are constantly trying to develop sub-district leadership in children's work throughout the Conference. One or two leaders moved out of the Conference a few others were forced to give up the work for one reason or another; so we are working on this part of the work as we look forward to the fall training.

Vacation Church Schools were held in a few more churches than last year and more churches used Methodist Vacation School material or the Cooperative texts than we have recorded previously.

The part that I have tried to stress in my own work has been visits to local churches to help them with their problems right in their church. I have gone into a number of churches for a three day session meeting first with the Commission on Education, then with groups of teachers from a department, then with all teachers in the Church School in an attempt to show how each department has certain things to teach and each one builds on the next level of age grouping. Several of the members of the Children's Committee have helped some other Church in their sub district this past year and words of appreciation have come from these Churches.

Mrs. J. E. Sayre, Director

THE METHODIST SPORTS COMMITTEE REPORT

The Methodist Sports Committee is carrying on a softball program that promises to be the most successful in its history as it seeks to make recreation a better tool for extending and strengthening Christian ideals.

Clinics were held for team managers, stressing leadership responsibilities and opportunities as well as recreation techniques. Provision was made for intermediates and seniors from Salem north and for young adults in and near Portland.

The committee organized volleyball for the first time in and near Portland earlier in the year and carried out its basketball program there.

During the conference year, the committee prepared and began to show an illustrated story entitled, "Youth at the Crossroads," describing its work and in general the opportunities to use recreation as a tool in Christian work.

THE BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS' REPORT

The newly elected Board met at Annual Conference in June, 1956, and organized by electing Raymond E. Balcomb, Chairman; Robert W. Burtner, Registrar; and Nevitt B. Smith, Secretary. The Board held its mid-year meeting on March 7, 1957. Changes affecting our work in the new Discipline were noted. Several committees to plan and execute the work of the Board at Conference time were appointed. A few matters of ministerial personnel were discussed. A proposed budget for 1957-58 was prepared.

The Board will continue to lift the standards for approved supply ministers. It hopes to do more in recruiting ministers. It is moving to strengthen the lines of communication between the Board and those under its jurisdiction who are out-of-state attending school. The Board is cooperating with the Bishop and the Committee on Conference Relations to improve the ordination service and the "Passing of the Torch" ceremony.

Respectfully submitted,
Raymond E. Balcomb, Chairman

There will be an earnest effort on the part of the Oregon Conference Commission to adopt the $1.30 minimum financial goal.

Laurence E. Nye, Chairman

THE TELEVISION, RADIO AND FILM COMMISSION REPORT

Under the direction of paragraph 1583 of the new Discipline, a conference "TRAFCO" is now being formed. As indicated, this new commission is a service agency, the purpose of which is to coordinate the use and production of several areas of mass communication and training in their use. Because of this provision for a new coordinating body in the field of audio- visuals, our present Audio-Visual Committee of the Board of Education has voted to recommend that it become a sub-committee of the Television, Radio and Film Commission.

In addition to the responsibilities heretofore falling to the Audio-Visual Committee, TRAFCO will be developing training programs in the use of audio-visuals, and in the techniques of radio and television broadcasting.

O. Maxwell Graham, Chairman
Television, Radio & Film Commission

THE COMMITTEE ON AUDIO-VISUAL EDUCATION REPORT

This Committee of the Board of Education provides and maintains visual aids for the purpose of making teaching tools readily available throughout the Oregon Conference.

A revised catalogue of the Audio-Visual Library was prepared and over 500 copies distributed to the Churches in the Conference. This catalogue lists 263 filmstrips, slide sets and recordings, with two or more copies of many, bringing the total available for distribution to 324.

The use of these teaching materials is steadily increasing. Five years ago there were 11 churches enrolled in the Audio-Visual Cooperative Fellowship. At present there are 99 churches that participate in the Audio-Visual Cooperative plan of paying a $10 fee and using materials from the library free charge for a period of one year. Other churches use these aids on a rental basis.

The Audio-Visual Committee with a roster of seven members meets periodically to preview and purchase additional filmstrips, slides and records for the circulating Library. At the March 5 meeting of this committee the recommendation was made to the Board of Education that the Audio-Visual Committee become a subcommittee of the Conference Television, Radio and Film Commission. (TRAFCO) (See displine, par. 1583); members of said subcommittee be appointed by TRAFCO; that an Audio-Visual secretary be hired to distribute materials as in the past; and that the fee for enrollment in the Audio-Visual Cooperative Fellowship be raised from $10.00 to $12.00 per year.

Hazel Frost, Secretary
Al Vosper, Chairman

COMMITTEE ON YOUTH WORK CONFERENCE REPORT

The Committee on Youth Work is made up primarily of Sub-District Youth Counselors and a few others who have a close connection with our youth program. Some of these leaders took part in the Sub-District and Conference Officers Workshop in June 1956, and many of them participated in our summer camps for youth. In the fall we held a meeting for the entire committee to plan our work and train leaders. These people have attended and helped to lead training programs for other adult workers with youth at our churchmanship schools in the fall. They provided Adult guidance for Sub-District Rallies; The Fall Action Project, "Drinking and Christian Living;" special events such as, "Operation H," "Presidents' Palaver;" and our District Youth Conferences held in The Dalles, Hillsboro, Medford and McMinnville. Many of these people will attend Workshop again this June to help us get a good start on the youth program for next conference year.

On the Sub-District level, some of these people organized Fellowship teams to visit other churches and give assistance to their MYF programs. Through this type of sharing of leadership our Sub-District work is growing in stature and strengthening the effectiveness of our total youth program.

Some preliminary steps have been taken toward a Conference Intermediate or hall at Dead Indian Soda Springs, which will allow for additional use of the campsite. Suttle Lake and Magruder are operating at capacity or near capacity throughout the year, and property at Loon Lake, near Reedsport, is now under lease from the U. S. Government for a primitive area camp. Walter Warner and the men of the Coos Bay Church are to be commended for their work in the establishment of the Loon Lake Campsite.

During the year your camp commission took action raising the registration fee to $17.50 per week in order to meet rising costs .

In addition your commission requested that it again be included in the conference benevolence budget to the extent of $1,000 for the purpose of underwriting any operating deficit in the total camping program.

A Policy committee to coordinate the work of the various camps has been formed. It includes the chairman, or one member, from each camp committee plus the executive committee. The executive committee was asked to serve as a research and study committee thru the year .

The elimination of competition between the various camps is desirable, especially in regard to the procurement of faculty and the enrollment of student body.

Ellsworth M. Tilton
Chairman, Camp Commission

ACCOUNTS AND AUDITORS

Oregon Annual Conference
The Methodist Church
Portland, Oregon

May 31, 1957

Dear Sirs:

We have audited the books and records of your Conference Treasurer Mr. Ernest Purvance, and those kept by E. C. Klindworth for the Oregon Methodist Ministers' Retirement Fund for the fiscal year ended June 30, 1956 and April 30th, 1956 respectively. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion the reports of Mr. Ernest Purvance and Mr. E. C. Klindworth properly show your operations (on a cash basis) for the fiscal year and your cash and security positions.

We have also examined the records kept for the following funds, finding them properly kept and in good order:

Board of Conference Claimants
Portland District Promotion Fund
Salem District Promotion Fund
Eugene District Promotion Fund
Forest Grove District Promotion Fund
Second Mile Club
Youth Fellowship
Helen Kelly Manley Fund and Carrier Trust

THE ANNUAL CONFERENCE TRUSTEES' REPORT

Title to numerous parcels of real and personal property is vested in the corporation known as the Oregon Annual Conference of the Methodist Church and subject to the direction and control of the Board of Trustees as directed by the corporate session of the Oregon Annual Conference. The corporation holds title to the real and personal property of Camp Magruder, the lease on which Suttle Lake Camp is located, and also the lease on which Dead Indian Soda Springs Camp is located.

COMMISSION ON CHRISTIAN VOCATIONS REPORT

The following figures, taken from a report given by the Interboard Committee on Christian Vocations to the Council of Bishops in December, 1955, indicate the annual minimum needs predicted for this Quadrennium:

Pastoral Ministry	2,000 Persons
Missionary Personnel	400 Persons
Christian Education	500 Persons
Medical and Social Service	4,000 Persons

The demand is currently much greater than the supply. This places a tremendous challenge upon each pastor and local church in the Oregon Conference.

This past year the Commission on Christian Vocations has taken the following steps to meet this challenge:

1. All pastors have been contacted and a booklet on *The Committee on Christian Vocations in the Local Church* has been placed in their hands urging them to establish such a committee in the local church.
2. Counseling forms have been obtained for keeping record of all youth who have indicated an interest or a commitment to full-time church-related vocations. These files are being kept in the Portland Methodist headquarters.
3. Through the district superintendent the subdistrict youth counselors have been asked to assume the responsibility of vocational counselors.
4. The Christian Vocations Fellowship of the Oregon Conference is being promoted through the use of brochures which were sent to pastors of churches as well as distributed at the four district conferences of the M.Y.F.
5. Through existing programs of the conference, an emphasis on Christian vocations will be made each year of the quadrennium.
6. Through further study the commission is endeavoring to determine the need and wisdom of having special conferences on Christian vocations such as career clinics, conferences on the pastoral ministry, etc;

A special conference on Christian vocations for the entire Portland area was held in March at which time there was a thorough discussion on problems and needs for guidance and recruitment for church-related vocations. The total impact of this meeting has yet to be felt and will most certainly affect the program of this commission during the next few years.

THE OREGON METHODIST CONFERENCE HISTORICAL SOCIETY REPORT

The Oregon Methodist Conference Historical Society wishes to preserve the story of the church of the past that it may be an inspiration to the church of today.

Dr. Thomas D. Yarnes, Conference Historian, has been writing his book, "A History of Oregon Methodism". It is hoped that this book will soon be completed. He has also helped several churches prepare their local histories.

The society has received a gift of the book, "No Man Like Joe", by Harvey E. Tobie, one of its members. It has also been given a brief case for its records by the past secretary, Mrs. E. G. Tschanz.

The society would recommend that each church gather and preserve its historical materials. It also recommends that each church observe and emphasize its historical anniversaries.

The society hopes to mark the site of the first Protestant church building in Oregon which was started in Oregon City in 1842. It would also encourage the erection of a replica of that church in Oregon City.

The society asks the Oregon Annual Conference for permission to keep its funds from one year to another. Much of the money of the society has been collected by dues, gifts, and contributions. It hopes to have some money to help in the publishing of the book, "A History of Oregon Methodism".

Recommendation for Group Simple Life Insurance

There is some possibility that a death payment clause will be added eventually to the Minister's Reserve Pension Fund. In the meantime, this committee recommends that $1500.00 be included in the budget for life insurance to be used to secure the maximum amount of insurance up to $1500.00 for all Methodist ministers under full-time regular appointment in the Oregon Conference, and those ministers under special appointment with annuity.

Luther G. Baker, Jr., Chairman

COMMITTEE ON MINIMUM MINISTERIAL SUPPORT CONFERENCE REPORT

I Recommendations

1. That the minimum salary of the Conference Year 1957-58 be set as follows:
   Conference members (on trial or in full connection)
   Married—$3600.00 Single—$3000.00
   Approved Supplies
   Married—$3000.00 Single—$2400.00
   Additional for each dependent child, $150.00
   Additional for each church more than one, $100.00
2. That monies received as "travel" or "car" expense from the charge be included in the computation of the minimum salary for each charge, and that no more than 25% of the minimum salary shall be paid to any participant from this fund. The District Superintendent shall see that the rest is made up from other funds.
3. That it be clearly stated in the Conference Rules that associate ministers shall not be eligible for allotments from the Minimum Salary Fund.
4. That the rules be changed to permit (5.005 4a) payments to ministers qualifying, on a monthly basis instead of a quarterly basis.
5. That salary raises be allowed to minimum salary ministers under two plans:
   Plan A
   Where a church raises the salary of a man he shall not have more than ⅔ of the amount deducted from his allotment.
   Plan B
   Where the church does not raise the salary a man may apply to the Fund for an increase in his allotment of $50.00 per year providing the church which he serves has paid its World Service and Conference Benevolence asking and providing that increases shall not be provided for more than five years in the same charge nor be transferrable to another minimum salary charge.
6. That the Cabinet, the World Service and Finance Commission, the Board of Missions, and the Minimum Ministerial Salary Committee each appoint two representatives to a special committee to study the problem of underwriting minister's salaries in the Oregon Conference including Second Mile Club, Minimum Ministerial Salary Fund, Extension Society funds, and missionary funds, with the hope of coordinating the whole program under the Board of Missions or some other agency on a fair and equitable basis, and that this committee report its finding and recommendations to the 1958 Conference.
7. That compliance with Sec. 5a, Rule 5.005 *shall be required.*

THE COMMISSION ON WORLD SERVICE AND FINANCE

Your Commission on World Service and Finance submits the following report to the Oregon Annual Conference, June 1957.

General Information

1. The Commission on World Service and Finance is preparing uniform budget forms to be used by all Commissions, Boards, Committees, District Superintendents and other individuals or agencies in making their askings for inclusion in the annual budget in the future.
2. The Commission is preparing a uniform expense account for use by all those filing expense accounts with the Conference Treasurer. Use of this will be required with the beginning of the Conference Year, June 1, 1957.
3. The Commission on World Service and Finance requests that Other Ministerial Support be reported in a single column in the Conference Journal. (This is in keeping with the system of bookkeeping set up in the Treasurer's Office and is the practice of many of our major Conferences today).
4. The report of the Commission as approved by the vote of the Annual Conference shall be printed in the Conference Journal.
5. All Annual Conference Funds shall be deposited in banks or financial institutions which are insured by either the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation.
6. As the 1956 Discipline, Paragraph 729, requires, Richard C. Kneeland, Certified Public Accountant, Public Service Building, Portland 4, Oregon, is designated as the Conference Auditor. (Conference Rule XLIX).
7. All persons authorized to handle Annual Conference Funds are covered by a blanket bond up to the amount of $12,500.00 issued by the American Surety Company. (Paragraph 807, 1956 Discipline).
8. All Conference Budget items shall be apportioned to the pastoral charges solely on the "grade figure."
9. The Conference Treasurer may disburse each month to the various boards and agencies 1/12 of their respective Conference Funds; the Wesley Foundations approved by the Conference; and the Conference Administration Fund. This authorization applies *only* to the first ten months of the Conference fiscal year.
10. That if necessary Conference action be taken to require such changes in Rules of Order as may be necessary to carry out the recommendations made in the Commission Report if adopted.

OREGON CONFERENCE BOARD OF PENSIONS
REPORT AND RESOLUTION

Since June 16, 1948, the Oregon Annual Conference has entered its New Entrants as members of The Ministers Reserve Pension Fund of The Methodist Church. We believe that the time has now come when all the other ministerial members of the Conference should be so entered, including all Conference Claimants and ministerial members in the effective relation not now in the MRPF.

Recent studies made by Huggins & Company, actuaries for the General Board of Pensions, indicate that the pensions for all approved service, exclusive of that of the New Entrants now in MRPF, rendered before July 1, 1958, to the Oregon Conference by present and former members, retired and effective, including the approved claims of widows and children, can be funded as of July 1, 1958, at an annuity rate of $41 per service year at an approximate cost of $1,696,375.00, the exact cost to be determined about one month before date of actual funding.

The Conference has reserves that can be applied on this cost as follows:

1. Balance in Initial Reserve Fund;
2. The Distribution Reserve Fund;
3. The PRPF service annuity credits;
4. The Stabilization Fund.

In addition, the 1957-58 income from apportionments for the support of Conference Claimants and for the reserve pension program as well as the 1957-58 appropriation from The Methodist Publishing House will be applicable to this purpose. The estimated total of these several amounts is approximately $275,000.00 It will be noted that the principal of Oregon Ministers' Retirement Fund is not included and it is not now intended that this principal is to be used as part of the proposed program.

The amount of these reserves can be used as a cash down payment toward

meeting the cost of funding the pensions for prior service. The remainder of the cost, estimated to be approximately $1,421,375.00, can be amortized with the General Board of Pensions of The Methodist Church in not to exceed 30 annual installments of approximately $72,518.00 each. The exact amount of the annual installment will be computed after the exact cost of funding and the exact amount of reserves available for down payment have been determined.

If pension for prior service is thus funded, the present conference claimants will henceforth receive their pension at $41.00 per service year direct from the Ministers Reserve Pension Fund administered by the General Board of Pensions. All the present effective members of the Conference, not already in MRPF, will be brought under the disability, death, and widows and childrens minimum pension benefits of the MRPF. The pension of ministers on account of service prior to July 1, 1958, will be upon retirement at the rate of $41.00 per service year. The pension and benefits related to service after July 1, 1958 will be in accordance with the provisions of the MRPF.

While computations have been made on the basis of $41.00 annuity rate for each year of service given prior to July 1, 1958, this rate can be changed by the Conference with approval of the General Board of Pensions and the recomputation of costs.

The pensions of those already in MRPF will not be affected by the funding of the pensions for prior service of those not now in MRPF.

From July 1, 1958 on, all effective members of the Conference appointed with annuity claim upon it would become members of the MRPF and the Disciplinary provisions concerning the Fund, membership and benefits would apply to them.

The annual cost of funding the pension for service of each member in MRPF is currently an amount equal to 9% of the average salary of the Conference paid by the Conference and 3% paid by the member. Therefore, the annual total cost to the Conference varies with the number of qualified members and the average salary of the Conference. Currently the 9% of the average salary is $376.56 and the number of qualified members is 176. Based upon these figures the annual cost would be $66,275.00.

On the basis of the figures heretofore set forth, the total annual cost of complete transition to MRPF is estimated to be approximately as follows:

Annually for 30 years for amortizing the pension reserves required for service before July 1, 1958	$ 72,518
Annually for funding current service on and after July 1, 1958 in MRPF	66,275
	$138,793

Let it be repeated that the amortization payment for prior service is a fixed amount, the annual contribution of the Conference for current service is a variable amount. Therefore, the total would vary only as the item for current service varied.

There are certain items of relatively fixed income that come to the Conference each year for pension purposes such as income from invested funds and the appropriation from the Methodist Publishing House. Such items total approximately $15,000.00. Whatever this amount, it would be applicable to the total annual cost. On the basis of figures quoted above

Total annual cost, estimated	$138,793.00
Less fixed annual income, estimated	15,000.00

leaves an apportionment to the churches of approximately $124,000.00. The present apportionment to the churches for Conference Claimants and for reserve pension purposes is $83,500.00 and to Boards and institutions employing men in special appointments $5,800.00, making a total of $89,300.00. On the basis of these figures the cost for complete transition is approximately $34,000.00 in excess of present income.

At the end of the amortization period the conference will have discharged its total obligation for funding all pensions on account of service to that date. From that time forward the annual obligation would be only that of the Conference contribution, now 9% of the average salary, for each member of the Fund for each

Activities will be with us again as a resource leader. Bishop Grant will lead us in Sunday morning worship and conduct a service of re-dedication. We are hard at work trying to interest a large group of men to journey to Purdue University in Indiana and attend the National Conference, July 19, 20, 21, 1957.

Every-Member Canvass—Stewardship.

The General Board of Lay Activities and the Conference Boards are charged with the responsibility of coordinating Every Member Canvass and Stewardship Emphasis activity throughout the Church. At the expense of our Board, ministers and laymen from each District in Oregon received training in the new EMC plan in an Area workshop conducted by the General Board in Portland on November 16 and 17, 1956.

The Stewardship Emphasis program must be re-kindled. The new local church Commission on Stewardship and Finance (adopted by 1956 General Conference) consists of two sub-committees, one on Stewardship and one on Finance. A Director of Stewardship must be appointed who is Chairman of the Stewardship Committee.

Futures Unlimited.

Recognizing the influence that laymen have upon youth as they think about future career opportunities, the General Board has established goals for the actual recruitment by laymen of candidates for Christian Vocations and establishment of scholarship aid funds for worthy candidates. Our Board has established a Committee to work in this field, in cooperation with the Conference Commission on Christian Vocations.

Second Mile Club.

Funds have been raised again this year from voluntary subscriptions to the salary subsidy program of the SECOND MILE CLUB, which provides help for churches in growing population areas. There has, however, been a lack of uniformity in the response of the Districts to this plan. In view of this variation, the Board recommends that the Second Mile Club be continued, but on an individual District basis.

Summary and Proposals.

It is recommended that the following proposals be adopted by the Conference for the coming year:

1. That the "Simultaneous Every-Member Canvass" plan be utilized in the Conference on either District or sub-District levels under the following conditions:
   (a) The scheduling of each Canvass to be that most suitable to that District or sub-District.
   (b) Participation in the "Simultaneous Canvass" by a local church to be on a voluntry basis.
   (c) In areas where a United Church Canvass is provided by a Council of Churches, Methodist Churches be urged to enter it in lieu of the above.
   (d) The District Boards of Lay Activities will develop plans for a "Simultaneous Canvass," and be the agency to carry it out.
   (e) The Loyalty Dinner plan be recognized as one of the methods of the Every Member Canvass.
2. That Stewardship Committees of the Commission of Stewardship and Finance be activated in churches throughout the Conference in accordance with the new Disciplinary provisions.
3. That a goal of 90 chartered Methodist Men Clubs be adopted for the Conference year 1957-58.
4. That Church Lay Leaders give leadership in each local church to a program of recruitment of young persons for Christian vocations.

Howard B. Somers

E MEMBERSHIP AND EVANGELISM

BOARD OF LAY ACTIVITIES REPORT
1956-57

Methodist Men Clubs have seen considerable expansion during the current Conference year with twelve clubs receiving new charters from the General Board. Charters have been presented in the following churches:

Drain
Myrtle Creek
Roseburg
Springfield
Yoncalla
Hillsboro
Woodburn
Bend
Junction City
Fossil
Silverton
Summit

With the addition of the twelve new or renewed charters listed above, our total should now stand at 77.

Recognizing that our job is not really done until a Methodist Men Club is established in every church, our Board is determined to emphasize the following things this coming year:

1. Strive to reach a goal of 90 Chartered Clubs.
2. Make a major emphasis to improve the functioning of Methodist Men Clubs.

During the current year a system of visitations of clubs has been instituted. Under this plan District Lay Leaders and their Associates make unscheduled visits to clubs and endeavour to counsel with them concerning club problems. Reports of these visits are made to the Conference Lay Leader with a view to coordinating the work of the visitors. These visits are made not as a checkup by self-appointed "inspectors," but as a regular function of this Board of offering help to local churches.

Methodist Men's Assembly.

The Methodist Men's Assembly will again be held at Willamette, September 6, 7, 8, 1957, with Dr. Jim Chubb of Grand Island, Nebraska as inspirational leader. Don Calame of the Methodist Men Department of the General Board of Lay

THE BOARD OF MISSIONS REPORT

We herewith present the Conference Board of Missions and Church Extension's first report for this quadrennium. At the first meeting on June 21st the following officers were elected:

Roy A. Fedje, president
Clyde Walker, vice-president
Clark Enz, secretary

Twenty-five were present. The Board was organized into three sections:

1. Promotion and Cultivation—S. Raynor Smith, chairman
2. Church Extension—Dale Helikson, chairman
3. Pastoral Maintenance—Russell Tripp, chairman

G. A. Dierdorff, S. Raynor Smith, and Roy A. Fedje were elected as representatives to the Coordinating Council.

Section I. *Dr. Roy A. Sturm's survey report.*

The following statements from his report summarize his findings:

"The program of Church Extension should be geared for a long-time pull. Consequently there seems no question but that we should now prepare to meet a need for the formation of new churches in greater numbers than we have faced during the past quadrennium, and for many years to come. To meet this challenge two things seem important, namely:

(1) Determine the number of new churches which can be brought to self-support each year and then plan to start an equal number. It is very easy to overextend. Plan to start only as many churches as can be brought to self-support.

(2) Seek to increase the resources available for Church Extension. Even though commendable progress has been made during the past four years, it is evident that the rate of church extension must be stepped up if we are to meet the challenge facing us."

Section II. *Priorities.*

In conformity with the 1956 Discipline the following priority list of projects is recommended for loans and donations from the Division of National Missions:

A. *Loan priorities:*

(1) Coos Bay	$50,000
(2) Vermont Hills	30,000
(3) Cherry Blossom Park	25,000
(4) Capitol Hill	30,000

B. *Donation priorities:*

(1) Trinity (Salem)	$ 5000
(2) Cave Junction	5000
(3) Morningside	2500
(4) Cherry Blossom Park	4000
(5) Gold Hill	500
(6) Hughes Memorial	4000

Section III. *Pastoral Maintenance grants recommended from the Division of National Missions:*

(1) Eugene District
Regular—$3400
Special— 4200

(2) Forest Grove District
Regular—$1900
Special— 1200

(3) Portland District
Regular—$2800
Special— 2000

(4) Salem District
Regular—$1800
Special— 300

vival, Four Nights for God, Witness mission, or any other type of program selected by the Conference, District or local church).

We recommend that the Conference Program of Evangelism with details and suggestions be printed and distributed to each Pastor, Lay Leaders, and to all local members on the Commission of Membership and Evangelism.

COMMITTEE ON PERIODICALS AND PUBLICATIONS REPORT

The past year has brought to birth two (2) new Methodist Publications.

We note with pride the publication of the new family-type magazine, "TOGETHER," and rejoice that it has exceeded all expectations in reaching out into a million homes in the first six months of its life.

It is with delight that we report the cordial acceptance of this fine magazine by the laity of our churches and that a large number of churches have adopted the all-family plan.

The editorial staff is to be highly commended on this splendid publication which is already looking forward to the goal of a million and half subscriptions.

The second new-comer, "THE NEW CHRISTIAN ADVOCATE," is also making history and is meeting a vital need among the ministers. We feel the editors have gauged the needs of our pastors in giving them a fine tool for their high calling in the Church.

Church School Publications. We are pleased to note that 131 Church Schools are using all-Methodist literature. With the publication of the new material for beginners and primaries this fall, we invite all the churches to cooperate 100% in the use of all-Methodist material for this quadrennium.

Not only are these materials of a high quality, but they are so linked together that they provide a progressive Christian experience, at each age level *leading to a deeper* commitment to God and His Church. There are some materials that *do not lead to a Church relationship.*

The use of our own materials also helps, through its earnings, to provide a happier eventide for retired ministers and their wives.

We commend the Methodist Hymnal to all our churches as a living source for the understanding of the Scriptures and the inspiration of our people.

We are grateful to God for the freedom of the press and of the pulpit which stand together as the two main pillars protecting the freedom of public worship.

are not self-supporting, and approved National Missions Advance Special projects in the Portland Area.

To help personalize both National and World Missions Advance Specials we request that a list be printed in the Conference Journal of all missionaries from the Oregon Conference together with their addresses on the field. Also that the Conference Missionary secretary be instructed to supply each church with additional information on those missionaries and their work.

(7) We recommend that the annual item of $50,000.00 be continued for church extension and that it be apportioned to the charges as a supplemental budget item, figured solely on the "Grade Figure." The money is to be divided equally between the revolving loan fund and actual grants in need for extension. Any church many designate not more than 50% of its contribution to any of the Conference church extension advance special projects. The other 50% must go into the revolving loan fund.

REPORT OF OREGON CONFERENCE MISSIONARY SECRETARY

For the current year our work of promotion began with the district conferences, the district missionary secretaries presenting the program as adopted by the Conference. The report included reports of the annual missionary education conference held at Asilomar, where four of our secretaries were present and two additional pastors, and two laymen, as well as the presentation of the mission study books for the year.

The Churchmanship Schools as set up on each district were very well attended. Forest Grove District shared in the school held in Portland. In the Portland as well as Pendleton, and The Dalles, Rev. Charles R. McDonald, missionary secretary of the Portland District taught the course 150B, "Missionary Education In The Local Church". We make special mention of this course with the hope that more and more of the courses given in our schools will include some of the Standard Study courses. Three schools were held in the Salem District, at Salem, Bend, and Albany and five in the Eugene District.

In order to conserve the advances made and do a more effective job in the coming year the following motion was carried at our mid-year meeting of the Board: "Moved that a committee composed of the Chairman of Promotion and Cultivation Section of the Board of Missions, a representative of the children's division and youth division, the missionary education secretary of the W.S.C.S. and Rev. Edward Terry, plan and implement training meetings for setting up schools of missions in the local churches. This to be done in cooperation with Dr. Harold." It was also approved that Mrs. Grace Sayre be the convener of the committee for "Schools of Missions and Sub-District Workshops."

One of the highlights of the year was the coming of Dr. Eugene Smith, General Executive Secretary of the Division of World Missions, for six important meetings in the conference. Mass meetings were held at Rose City Park Church, Portland and 1st Church Eugene. Luncheon meetings were held at the Wesley Foundations at Corvallis and Eugene, a luncheon for ministers at Portland and an evening banquet for youth. In March Dr. Ezra Cox spent 8 days in our conference with a full program of meetings in ten of our churches.

Reports which are far from being complete, indicate that more schools of missions were held than in any previous year. We were beseiged with requests for missionaries to speak in these schools. Our Board has requested the missionary secretary to prepare lists of available missionary speakers to be printed in the "Together" supplement. This will help but we can never expect to have enough leaders who have had missionary experience on the field to fill the demand. We must find capable laymen who will so inform themselves that they will be eager to assume this leadership in their own neighboring churches.

For ten months the missionary secretaries and other pastors have prepared the "World Service Minutes" for use in the local churches. Reports indicate that these have been largely used and appreciated and we urge their continuance in the future.

The names of the present Managers and their post office addresses are as follows:

R. A. Fedje, (Chairman), 5834 N. E. Alameda, Portland 13, Oregon
Clark S. Enz, (Secretary), 815 Center Street, Oregon City, Oregon

Their successors in office shall be the executive committee of the Board of Missions chosen by the Oregon Annual Conference but if the Board of Missions fails to constitute its Executive Committee within 30 days after the adjournment of the regular session of the Oregon Annual Conference, the then Board of Managers of this corporation shall elect their successors.

"Vacancies on the Board of Managers shall be filled by a majority vote of the remaining managers but persons so elected to fill such vacancies shall hold offices only until the next meeting of the Oregon Annual Conference. The election of managers at any meeting shall be by a majority viva voce vote of the members present at the meeting."

(2) We recommend that a committee composed of the Chairman of the Promotion and Cultivation section, the Portland District Superintendent, a representative of the Children's Division and a represenatve of the Youth Division of the Board of Education, the Missionary Education Secretary of the Woman's Society of Christian Service plan and implement training meetings for setting up schools of missions in the local churches, this to be done in cooperation with the Executive Secretary of the Coordinating Council.

(3) That we request the Conference Treasurer and the Executive of the Coordinating Council to make time available to aid in the important work of church extension under the direction of the Board of Missions.

(4) We further recommend compliance with paragraph 1301 in the 1956 Discipline: "The Board shall cooperate with the *Annual Conference program committee in arranging for a missions anniversary at each conference session, in which the work of the General Board of Missions shall be presented.* The president of the conference board shall have charge of such anniversary."

(5) That we give opportunity to individuals and churches to loan or give money to the Board of Missions for use in church extension.

(6) We recommend that each pastor present to the local church Commission on Missions the need for a greater emphasis on Advance Specials during the current year.

We urge special attention to National Missions Advance Specials in the Portland Area, including the Alaska College, the churches of the Alaska Mission which campus of Southern Oregon College of Education, with a total attendance of 161, and 76 churches represented. The four approved study courses were taught: Mission Field U.S.A., The Church in Southeast Asia, Paul's Letter's to Local Churches, and Youth in a Responsible Society, a Christian's Concern. The Wesleyan Service Guild Weekend had 114 in attendance. The decision was reached to make this a Special Memorial year in memory of Beulah Faber, Louise Bunch and Jennie Arnett. A memorial gift of $475.00 honoring the memory of Beulah Faber was sent for the library at National College for Christian Workers at Kansas City, Missouri.

Six Sub-Regional Workshops on World Understanding were held this year in our Conference, followed by seven on a sub-sub-regional level. Many Citizenship Brunches were held in this election year for the purpose of obtaining information on issues and candidates. A large number of societies have ratified the Woman's Division "Charter of Racial Policies." At the request of the Chairman of the Annual Conference Commission on Christian and Social Relations the Woman's Society became a co-sponsor for four Seminars, one in each District, dealing with Temperance, World Peace, and Christian Social Action.

The Oratorical Contest, which was originally initiated by the Conference Woman's Society of Christian Service, and for which prize money has been provided each year, has happily come to be considered by the M.Y.F. as their very own. This year the subject chosen by the youth was: "What the Holy Communion Means to Me."

Student Recognition Day offerings have resulted in adding two more scholarships, so that Oregon now has five National Methodist Scholarships. In response to the Foreign Student Cookie Project 300 boxes of cookies have been sent to foreign students on our Oregon Campuses this year.

There are indications that our youth are becoming more aware of opportunities for full time Christian service. A list recently compiled shows 66 girls to be interested in Christian vocations.

An earnest effort has been made by our Secretaries of Status of Women; local, district, and Conference, to encourage women to use their talents in the work of the church.

The Methodist Home Inc. at Salem is filled to capacity with 65 residents. Approximately one acre, with 160 foot frontage, adjacent on the west of the home was purchased this year for $25,000.00. Upon this land the new "Manley Wing" will be erected. Annexed to the east side will be the "Louise Bunch Memorial Chapel." The Wesleyan Service Guild will furnish the chancel in the chapel as a memorial to Beulah Faber.

The annual Harvest Home Tea was held at the Methodist Home November 16th with a record attendance of about 450. To this Tea the women brought their Sugarbowls, which each society and guild had been asked to fill with a minimum of two cents per week per member, for the Home Building and Endowment Fund. The result was over $5,000.00 and this amount was matched by an anonymous donor. It is expected that an additional $5,000.00 will be raised by this Sugar-bowl project the second half of the year.

Linnton Community Center has had a busy year with special events, such as the thirtieth anniversary celebration, and seasonal parties adding spice to the weekly schedule of regular activities. During the past year there were 284 persons enrolled in organized groups with an estimated 142 families represented. The kindergarten and pre-school groups continue to be one of the most valuable services of the center and a good point of contact with the homes. Supplies and cash for supplies have been received from 27 church groups.

Mrs. L. D. Wrentmore,
President.

THE COMMISSION ON TOWN AND COUNTRY REPORT

The Commission proposes for the coming year:

a—To continue the organization and development of a research and survey team to aid in the study of the location and re-location of town and country churches. This group will function only at the request of our district superintendents.

Asilomar. The missionary education conference at Asilomar on the Monterey Peninsula, California will be held August 2-7. We recommend an item of $300 for six $50 scholarships for selected leaders to attend this important conference. We also ask a budget item of $200 for Conference and District missionary secretaries expense fund. ($150 for Conference secretary and $50 for District secretaries), also $100 for the proposed workshops.

Our mid-year meeting recommended the following: that we request Dr. Eugene Smith, of N.Y., Dr. Spann of Nashville and Dr. Franklin Thompson, dean of the Pastor's School at Tacoma, Washington to arrange for outstanding leaders from the Board of World Missions to be speakers at our Pastor's School so that more of our ministers may be informed and inspired by the growing missionary program of our church.

S. Raynor Smith
Conference Missionary Secretary

THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND THE WESLEYAN SERVICE GUILD

This our seventeenth year has been one of launching the new quadrennium with its new theme: "The Spirit of Christ for All of Life". The new goals with seven points of emphasis call every member:

1. To commit herself to the spirit and principles of Christ for the whole world.
2. To accept responsibility in the total program of the local church.
3. To interpret the place of the educational institutions of the Woman's Division of Christian Service in the World Mission of the church.
4. To confront the local church with the challange of recruitment for Missionary and Deaconess service.
5. To create a fellowship without barriers in the local church and community.
6. To identify herself with the peoples of the world.
7. To speak and act boldly in Christ's name for justice and peace for all people.

Emphasis has been given this year to a wider fellowship with the importance of each individual member the focal point. The membership at the beginning of the year was:

Woman's Society of Christian Service	12,125
Wesleyan Service Guild	835
Total Adult membership	12,960

There have been three new societies organized this year: St. Lukes-Medford, Veneta, and Tygh Valley. The John Day Society was added by transfer from the Idaho Conference. We now have 157 societies, 54 guilds and 12 unorganized churches in the Oregon Conference. Nine new Wesleyan Service Guilds have been organized in the past year at the following churches: Trinity-Portland, Gresham, Capitol Hill, Oak Grove, First Church-Salem, West Salem, Junction City, Myrtle Creek and McMinnville.

Last year all financial goals and pledges were again met. The actual amount sent to the Woman's Division was $4,127.00 more than was pledged. The pledges and goals for this year are:

Mission pledge to the Woman's Division of Christian Service (including 10% for Conference Cultivation)	$56,500.00
Methodist Home (a supplementary gift)	1,000.00
Scholarship Fund (available to Negro girls)	500.00
Youth and Student Travel (administered by Conference Youth Director and Director of Wesley Foundations)	675.00
School of Mission (a subsidy)	400.00
Migrant Work (administered by United Church Women)	600.00
Total	59,675.00

From the Mission pledge, $3,000.00 will be returned to The Methodist Home at Salem and $500.00 will be returned to Linnton Community Center, Portland. In addition to the pledge to Missions each society is asked for cash and definite articles for our projects. These are known as Supply Askings. To April 1st, total supply giving (Cash and value of new materials) was $4,218.18. This includes the gifts of the Wesleyan Service Guild and Youth & Children.

Two schools of Missions were held last July, one at Magruder and one at the in the form of leadership in chapel services, telling the story of Goodwill, and by contributions of repairable materials.

Other evidence of such public support is given by the fact that 69 different clergymen, representing 21 denominations, helped us start the day's work with brief worship services in our lovely chapel. With complete autonomy, a Board of Directors of 26 successful and dedicated business men and women, serving without compensation, have compiled a total of 250 years of service to directing the policies of Goodwill Industries. Two women's groups—the Woman's Auxiliary and the Service League, by their labors of love, have given thousands of hours that the needs of our disabled employees might be better met.

One of the end results of this combined concern is the new feeling of optimism and a resurgence of hope evidenced in the lives of the physically handicapped

With a firm conviction that the Goodwill Industries is as Bishop Grant once said, "Christianity in overalls," we invite your continued interest and support.

Marion C. Smith,
Executive Director

HEIFER PROJECT, INC. REPORT

We of the Heifer Project, Inc. wish to thank the Methodist Church for its interest in helping us to make 1956 one of our best years. Actually, there was a total of 83 shipments to 23 countries (list furnished on request)—an average of nearly one every four days.

Total shipments:
886 Cattle—74,600 Chicks
507 Goats—8,880 Hatching Eggs
561 Sheep—500 Ducklings
400 Pigs—25 Burros (To mountain people in Formosa. "Bear ye one another's burdens.")

Financially speaking, the total value of these shipments as given to us in the Annual Report from the National Headquarters, New Windsor, Maryland, is $241,156.00—(the value of this chattel property will always increase with the years.) The gross cash receipts for 1956 came to $285,103.76. This makes a grand total of purchase of livestock, contributed animals and other gifts for the year—$500,190.34. The percentage of the grand total program for administration is 13%.

The proposed program for 1957 is a heavy one. Requests are in for at least 26 countries. One of the largest projects, in cooperation with the Japanese Church World Service, is the shipment of over 500 heifers and other livestock—pigs, sheep, goats, chicks, rabbits and bees, to Japan. These are requested by Hokkaido and the Japan Government will pay transportation. There will be 300 or more heifers going to West Germany, to farmer refugees, with the German Government paying transportation costs.

Sincerely,
David E. Norcross
Northwest Director

BOARD OF HOSPITALS AND HOMES REPORT

Although more money has been spent in the past three years for the establishment and maintenance of the Willamette View Manor and the new Willamette View Court than for all Conference expenditures combined, these activities must continue under separate sponsorship. The Court, which will cost almost $1,500,000.00 will be completed early in 1958. Apartments are almost sold out already.

The Rogue River Manor, to be located near Medford, Ore., is in the midst of their selling program at the present time. We extend our sincere wishes for success in a very ambitious enterprise in building a $5,000,000.00 building for the benefit of our aging population.

Plans for the construction of a Hospital for the chronically ill are being developed at the present time. Two corporations are being formed, the Oregon Methodist Homes Inc., and the Willamette View Manor. The hospital for the chronically ill will be built on the site of the old Matson Hospital and will fulfill the requirements of the Matson Estate which turned the property over to the trustees of the Manor for this purpose.

The members of the Conference Board of Hospitals and Homes function on the various Boards and Committees of all these projects within the bounds of our state. We have not, nor do we ever anticipate, bringing any problems related to the development of these institutions before Annual Conference for opinion or support. In years to come it is anticipated that in connection with the Chronic Hospital program we may introduce to the Conference the Golden Cross Plan, whereby assistance may be given to worthy folk who are patients.

Olin E. Parrett, Chairman

GOODWILL INDUSTRIES OF OREGON INC. REPORT

It has been said that some folks never get far because they set their course by "lassitude and loungitude." While this may be said of some, nothing could be farther from the truth about the people at Goodwill Industries. The record of this spiritual, social enterprise with its Methodist origin and heritage of missionary devotion had its best year in all of its 29-year history in 1956 .

Two of the key factors making this record possible are:

1. The validity of the ideal. The Goodwill Industries is classed under the Federal Wage and Hour Division of the Department of Labor as a sheltered workshop. A sheltered workshop is one that carries on a recognized program of rehabilitation of handicapped people to restore them to normal living, as far as is possible. 473 different people shared in Goodwill Industries' sheltered workshop in 1956, an increase of 26% over 1955.

2. An interested public. The record of human service rendered by Goodwill Industries in the name of the living Christ and motivated by a religious dynamic is one answer the Methodist Church can give relative to its concern for human need. In the area served by Goodwill Industries, 74 Methodist ministers and their congregations expressed this concern for the handicapped by their direct support

in Gresham, Oregon, on May 28, 1957 after a long illness. With her husband W. M. Erskine she came to Oregon in 1905. They served in Junction City, Springfield, Coburg and Halsey until his death in 1913. Mrs. Erskine was then Conference President of the Woman's Foreign Missionary Society which office she held for several years. She was a wonderful Bible teacher, a great lover of music and a sacrificial church worker.

Conference Grade Figures

The grade figure is a proportion expressed in decimals of the financial ability of a church to the financial abilty of the Conference. It is based two-eighths on membership, three-eighths on ministerial salaries, and three-eighths on current expense.

The grade figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those three immediately preceding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity, and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by m/M x 2/8. The membership figure is found in Column 11 of the Conference Journal.

The salary item is s/S x 3/8. The salary figures are found in column 47c of the Conference Journal.

The expense item can be expressed as e/E x 3/8. The items included under expense are taken from columns 44, 45, 48, 57c, and 63 of the Journal.

The total of the three above computations is a grade figure.
